

SRSS SABRES FOOTBALL 2017

Message from Coach Peters

I want to take this time to welcome all students who are interested in playing football for the SRSS in 2017 and extend a personal invitation to attend the SRSS Sabres Spring Camp. Spring camp is designed for current **grade 8, 9, 10, & 11 students**. We will be adding a Junior Varsity team to our program this year specifically for grade 8 and 9 students (next year's grade 9 and 10). Spring camp will focus on the basics of tackling, skill development, and development for the upcoming 2017 season. Some grade 10s may/will be asked to play Varsity.

This camp is vital to the growth of players as individuals as well as the development of the team as a whole. After spring camp coaches will have individual player meetings and discuss with them their strengths, areas to improve and their projected role in the upcoming 2017 season on either the Junior Varsity or Varsity team. Spring camp will be of **no cost** and will allow interested players to find out more information about what the Sabres Football Program is about.

Please read below for all the information pertaining to the 2017 SRSS Sabres Football team.
